RE: Chevron U.S.A., Inc., NPDES No. NJ0000221
Perth Amboy, Middlesex County

Dear Mr. Molinari:

Pursuant to the EPA/DEP Memorandum of Agreement, we are forwarding a copy of the draft NPDES (NJPDES-DSW) renewal permit for the above referenced facility for EPA's review and comment. We realize that we had sent you a draft permit for this facility at an earlier date; however, the Company has undergone major operational changes which necessitated major permit modifications.

We would appreciate receiving your comments at your earliest possible convenience so that we may expedite finalization of this permit.

Should you have any questions concerning the draft permit, please contact me or Ms. Melisse Wilusz of my staff at (609) 292-4860.

Sincerely,

William S. Beggs
